New & better placed Off-Grid Power Workshop @ INTERSOLAR EUROPE 2024

Join us for this year's redesigned Off-Grid Power Workshop - Meet the Practitioners!

The off-grid solar sector continues to make a name for itself as the solution of choice when it comes to high quality rural electrification or reliable backup power or other many other quality appliances. With this in mind, BSW-Solar, BMZ, Intersolar Europe and event partners UNIDO ITPO (Investment and Technology Promotion Office), the Africa Association of German Business ("Afrikaverrein der deutschen Wirtschaft") as well as AMDA (Africa Minigrd Developers Association) are inviting you to the "Off-Grid Power Workshop - Meet the Practitioners 2024", where you can look forward to learning about new experiences, technical developments and future applications in this field.

As the industry and the event have changed continuously over the last few years, this year's edition wants to tweak and hopefully improve the concept. The Off-Grid Power Workshop will take place at a **new and more prominent location** (ICM 14c), include a joint high-level opening event with Intersolar's Off-Grid [Conference](#) on 19th of June from 16.00 – 17.30 pm on **"Pioneering 100% Renewables: Opportunities and Challenges of Off-Grid in Island and Remote Environments"** and include an **attractive package** allowing you to attend both events, as well as Intersolar's Conference and Fair.

Benefits:

- Access to special discounted tickets (participation to entire Workshop on 20th of June free of charge):
 - o (1) **50% reduction on ticket to Intersolar Conference Ticket** (615€ instead of 1230€);
 - o (2) **reduced ticket of 40€ for Intersolar's Off-Grid Conference which includes full catering and fair access** (regular price 370€ - Program to be found [here](#)- places are limited and available on request)
- Presentation time of 8 minutes (+4 min Q&A) for a case study or presentation on innovative software / technological solution (with reference to your products and services);
- Placement of your company logo in the program booklet;
- Placement of your company name in BSW's official trade fair communication, e.g. BSW Newsletter as well as via UNIDO (ITPO), Afrika-Verein der deutschen Wirtschaft e.V. ("Africa Association of German Business") and Africa Minigrd Developers Association (AMDA) communications;
- Publication of the title of the presentation in the official online program of the Intersolar trade fair;
- Publications of your presentation at <https://www.solarwirtschaft.de/> and other websites;
- Off-Grid Networking Lunch on 20th June 13.00 – 14.00 pm.
