### Pillar 1

Accelerating markets

### Pillar 2

Scaling investments

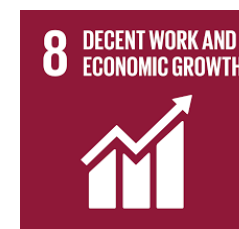

### Pillar 3

Fostering innovation

### Pillar 4

Embedding sustainability

# About CORE

CORNERSTONE OF RURAL  
ELECTRIFICATION

**Scope:** Decentralized renewable electrification in rural and peri-urban areas

**Mission:** CORE enables resilient communities by ensuring **safety, efficiency, reliability** and **sustainability** become the cornerstone of decentralized electrification

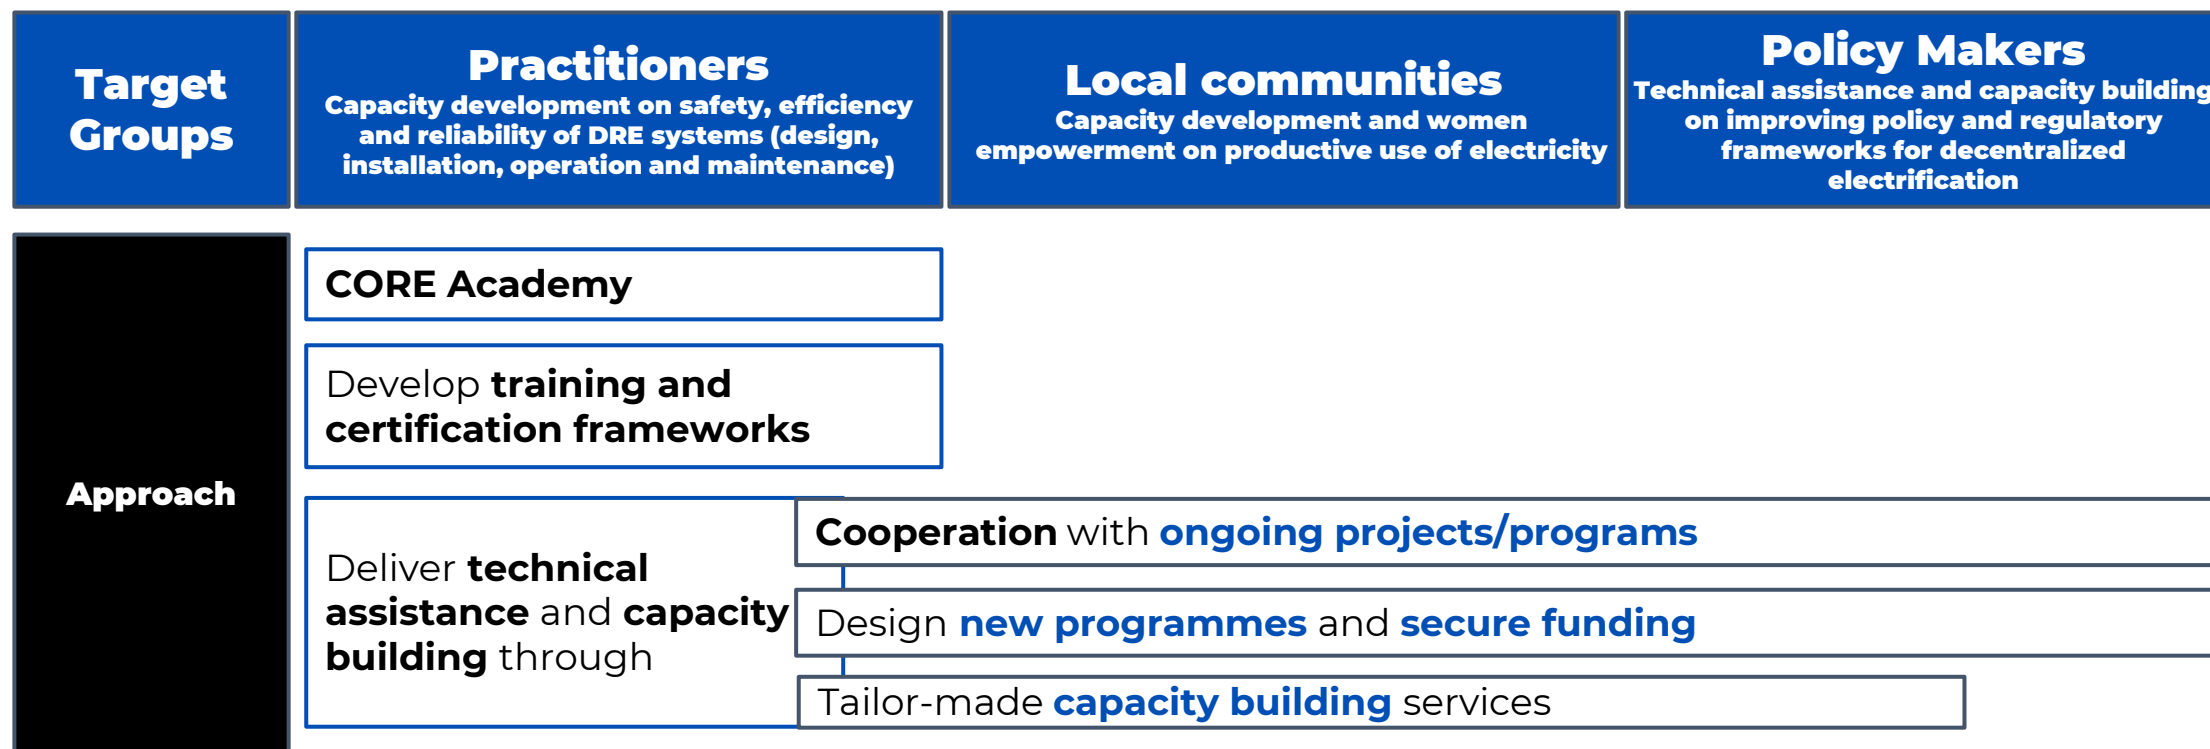

**Value Proposition:** CORE **offers technical assistance** on aspects related to increasing **safety, efficiency** and **reliability** of DRE systems, and on strengthening local communities' resiliency, empowering women on productive use of electricity
